

## REMARKS

In the above-identified Office Action the Examiner suggested the wording for amending the title of the application. That suggestion was adopted in the foregoing amendment.

This is to acknowledge that Claims 5-14 were identified as being allowable, in the Office Action, if amended so as not to depend from a rejected claim. In this regard, the claims have been so amended, wherefore it is believed that Claims 5-14 are now unconditionally allowable. Accordingly, a Notice of Allowance is solicited in this application.

Applicant's undersigned attorney may be reached by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
